March 3, 2010

Dear Parents or Guardians of Eighth Grade Students:

The new school year will be upon us before we know it, and your eighth grader will soon become a high school student. This is an important time for both students and their parents.

To make the transition to high school a smooth one, the high school counselors and I would like to invite you and your student to the **Incoming 9th Grade Parent Orientation on Wednesday, March 24, 2010 in the LCHS Auditorium from 7:00 to 8:30 p.m.** Eighth grade students will begin to pre-register for fall classes and summer school on March 31st and April 1st. Families will then have one week to review the registration material, go online, and submit course requests before returning the paperwork on April 12 to their counselor.

This orientation is designed for parents to learn more about the overall LCHS programs, as well as high school graduation and college entrance requirements. The pre-registration process will be reviewed in detail to help parents work with their students in selecting the appropriate courses. We will also address preparations for specific courses and the honors program, along with information regarding the athletic program and other extra-curricular activities. Following the presentations, we will conduct a brief question and answer forum.

We look forward to seeing you.

Sincerely,

Joanne Davidson,
Assistant Principal
