

7/8 Lockers

7-8 lockers are individually assigned to all 7-8 grade students. The locker number and combination will be on the student's class schedule, which they will receive on the first day of school. The 7th grade lockers are located in the 7-8 building on the second and third floors. The 8th grade lockers are located on the north and east facing walls of the first floor of "A" building.

Any contents stored in a locker will be the responsibility of the student. This includes textbooks. The administration reserves the right to open a locker or remove a lock at any time. **Students are reminded not to place articles of value in lockers.**
