

LCHS Parking Permit Regulations 2011-2012

Parking is available for Juniors and Seniors **only**. Parking is allowed in marked stalls only. Parking is restricted in Hahamonga Park, in front of the school, staff lot, access road and beyond (Be sure to read all posted signs). All vehicle codes will be strictly enforced. You may be cited and your vehicle may be towed. Failure to follow the rules will result in losing your parking and driving privileges on campus. **Please note: In addition to this form you may also need the Provisional Restricted Driver form.**

Duplicating, forging, stealing, borrowing, loaning, selling or using a permit not issued to you will result in disciplinary actions and loss of the permit. Parking regulations apply to Junior/Senior Parking, as well as ID/Cage Parking. Students may only have one (1) permit at any time.

Junior/Senior Parking

You must have a valid driver's license and a carpool partner to qualify. You may purchase a carpool parking pass for \$15.00/student (\$30.00 for the shared permit).

Senior/Junior parking is located in the Foothill lot (located on the corner of Foothill and Oak Grove). The overflow for the Senior/Junior lot is in the first section of the cage (located on the corner of Berkshire and Oak Grove).

ID/Cage Parking

Junior and Senior students who do not qualify for a shared parking permit may purchase a cage parking permit for \$15.00. This will allow them to park at the end of the cage. **This parking area is provided on a first come, first served basis and is very limited.** As students continue to qualify for Senior and Junior Permits, these spots reduce in numbers or may become obsolete.

Parking permits may be revoked by the school if the student is found to be in violation of the school's attendance and/or discipline policy. If this does occur, the cost of the parking permit will not be refunded.

I have read and agree to follow all the parking rules. Failure to do so will result in the loss of my parking permit and may possibly result in disciplinary actions.

There will be no assigned parking spaces and parking will be at the owner's risk.
